

Mainstream Teacher Award

Northern New England TESOL would like to recognize the many mainstream classroom teachers who contribute to the academic success of English language learners (ELL) in their schools. In most cases, ELL students are in mainstream/regular classroom settings during the school day. The students rely on the extra effort and support from these teachers to make the class content accessible to them.

Annual Due Date: October 15th

Grant Amount: \$50 gift certificate, letter of recognition sent to his/her principal, and free admittance to a NNETESOL conference

Application Information and Submission: A NNETESOL member nominates a mainstream/regular classroom or content area teacher who deserves recognition for his/her support of ELLs in the school district. The member completes the *Mainstream Teacher Award* form and sends via email to the NNETESOL Secretary: Linda Lucas (Kennebunk2002@yahoo.com)

Application Procedures: Within three (3) weeks of the due date, an executive committee will review all the applications and recommend an applicant from each state (ME, NH, VT) to the NNETESOL Board for the grant award. Within five (5) weeks: a final decision will be agreed upon, the applicant will be notified with an invitation to attend a NNETESOL conference where the award will be presented.
